SUBJECT: FEDERAL ALLOTMENTS PY 2005-06 AND FEDERAL RESCISSION
PY 2004-05

The purpose of this information bulletin is to announce the Workforce Investment Act (WIA) federal allotments to California for Program Year (PY) 2005-06 and the federal rescission for PY 2004-05. This information was officially conveyed to the Workforce Investment Division (WID) in the Department of Labor (DOL) Training and Employment Guidance Letter (TEGL) [23-04](#), dated March 25, 2005.

The allotments to California by funding stream and the amounts available for allocation to the Local Workforce Investment Areas (LWIA) for PY 2005-06 are:

	<u>Total Allotment</u>	<u>Formula Allocation</u>
Title I, Adult Program	\$128,964,901	\$109,620,166
Title I, Youth Program	\$135,801,478	\$115,431,256
Title I, Dislocated Worker Program	\$182,835,332	\$109,701,199

Since the DOL is requiring the State to submit a new two-year State plan, the DOL will hold the PY 2005-06 allotment until the State plan is approved. The only exception is that one-fourth ($\frac{1}{4}$) of the Youth allotment will be available April 1, 2005. The projected Youth amount available to the LWIAs on April 1 for formula allocation is \$28,857,814. The balance of the Youth funds and the July 1, 2005, Adult and Dislocated Worker (DW) allotments will be available to California on State plan approval. Allocations to LWIAs from these funds can proceed when the State Budget for 2005-06 has been signed.

This information bulletin also announces a federal rescission of .80 percent for PY 2004-05 Adult and DW allotments. The rescission reduces the LWIAs' Adult (Grant Code 202) and DW (Grant Code 502) allotments available October 1, 2004. The WID will generate the rescission amounts for each LWIA by applying the same methodology used in the calculation for the initial PY 2004-05 formula allocations. The final rescission amounts are:

	<u>Total Rescission</u>	<u>Formula Rescission</u>
Title I, Adult Program	\$842,738	\$716,327
Title I, Dislocated Worker Program	\$1,050,669	\$630,401
